

Authorized Distributor: AMETEK Power Instruments

Reliable Delivery of Quality Parts Worldwide

AMETEK Power Instruments

Authorized OEM Alliance Since 2016

As we strive to be an integral part of our customers' operations, our OEM alliances are a critical component to this ability. Our strategic partnerships are what allow us to be the leading stocking distributor of genuine, high-quality industrial gas turbine parts.

As an authorized distributor within **AMETEK's** limited network, AP+M provides sensors, cables and harnesses to support both **heavy-duty and aeroderivative gas turbines**.

AMETEK Parts Available

- Sensors
 - Flame Sensors
 - Exhaust Thermocouples
 - Wheelspace + Bearing Thermocouples
 - Pressure Transducers
 - Speed Sensors
- Cables + Harnesses
 - On-Engine
 - Interface
 - Off-Engine

The AP+M Parts Advantage

- Extensive inventory of genuine, new OEM consumables and hardware in stock
- Same day dispatch on most parts orders
- Competitive pricing structures
- Dedicated customer support managers
- Warranty of 18 months from delivery date or 12 months from installation
- Advance exchange units
- Original OEM approved repair and overhaul with competitive turn-around times

All of our in-stock heavy-duty and aeroderivative parts are available for immediate delivery with capabilities to ship 24/7.

Why Choose AP+M?
