

# Honeywell

**Authorized Distributor:**  
Honeywell

Reliable Delivery of Quality Parts Worldwide

# Honeywell

## Authorized OEM Alliance Since 2015

As we strive to be an integral part of our customers' operations, our OEM alliances are a critical component to this ability. Our strategic partnerships are what allow us to be the leading stocking distributor of genuine, high-quality industrial gas turbine parts.

AP+M is an authorized **Honeywell** distributor in a limited network, providing select bleed valves and flame sensors for GE LM aeroderivative gas turbines.

## Honeywell Parts Available

- Thrust Balance Valves
- Bleed Valves
- Flame Sensors
- Fuel Control Valves

## The AP+M Parts Advantage

- Extensive inventory of genuine, new OEM consumables and hardware in stock
- Same day dispatch on most parts orders
- Competitive pricing structures
- Dedicated customer support managers
- Warranty of 18 months from delivery date or 12 months from installation
- Advance exchange units
- Original OEM approved repair and overhaul with competitive turn-around times

**All of our in-stock aeroderivative parts are available for immediate delivery with capabilities to ship 24/7.**

## Why Choose AP+M?

**One-Stop Shop**

**Global Reliability**

**High-Quality Parts**

**Cost-Effective Pricing**

We have experts in every part of the world, ready to support any request.
