

## Exclusive Distributor: Parker

Reliable Delivery of Quality Parts Worldwide

# Parker

## Exclusive OEM Alliance Since 2005

As we strive to be an integral part of our customers' operations, our OEM alliances are a critical component to this ability. Our strategic partnerships are what allow us to be the leading stocking distributor of genuine, high-quality industrial gas turbine parts.

AP+M is proud to be the exclusive distributor of select **Parker** nozzles and pumps for both heavy-duty and aeroderivative gas turbines.

## Parker Parts Available

- Fuel Nozzles
- Lube Oil Scavenge Pumps
- Inlet Fogging Macrospray Nozzles
- Danfoss Water Pumps

## The AP+M Parts Advantage

- Extensive inventory of genuine, new OEM consumables and hardware in stock
- Same day dispatch on most parts orders
- Competitive pricing structures
- Dedicated customer support managers
- Warranty of 18 months from delivery date or 12 months from installation
- Advance exchange units
- Original OEM approved repair and overhaul with competitive turn-around times

**All of our in-stock heavy-duty and aeroderivative parts are available for immediate delivery with capabilities to ship 24/7.**

## Why Choose AP+M?

**One-Stop Shop**

**Global Reliability**

**High-Quality Parts**
